2. INTERPRETATION

- 2.1 Unless stated otherwise in a Finance Document, any reference in the GCC or another Finance Document to:
- "Deutsche Bank", the "Principal Borrower", the "Borrower", the "Obligor", the "Debtor" or any other natural person, legal person or partnership should be interpreted as including the legal successors under universal title (*rechtsopvolgers onder algemene titel*) and the permitted legal successors under singular title (*toegestane rechtsopvolgers onder bijzondere titel*) of the relevant natural person, legal person or partnership;
 - "Credit Agreement", a "Finance Document", the "GCC" or any other agreement or document should be interpreted as a reference to the Credit Agreement, that Finance Document or that other agreement or document as most recently amended, novated, supplemented, extended or restated (including any increase, reduction, change in purpose or other amendment of the forms of Credit made available, as well as any addition of new forms of Credit, any restructuring of debt provided in the Finance Documents, and any accession or withdrawal of a party to or from a Finance Document or any combination of the above);
 - "Borrower" in respect of a specific form of Credit should be interpreted as a reference to a Borrower to whom that form of Credit is made available under the Credit Agreement;
 - a "person" should be interpreted as a reference to a natural person, to a legal person or other entity, or to a government authority, state or agency of a state;
 - a statutory provision should be interpreted as a reference to that provision as may be amended or readopted from time to time; and
 - an organisation should be interpreted as including any organisation replacing the same.
- 2.2 The heading of a clause in a Finance Document is for ease of reference only and has no effect on the contents of such clause.
- 2.3 Unless stated otherwise, terms defined in the Credit Agreement or the GCC shall have the same meanings when used in a Finance Document or in any notification or report given or issued pursuant to or in connection with a Finance Document.

3. AVAILABILITY OF THE CREDIT

The Credit will not be made available to a Borrower until Deutsche Bank is satisfied that it has received all security, undertakings (*verklaringen*), documents and information referred to in the Credit Agreement and all other conditions for the availability of the Credit, as set out in the Credit Agreement and, insofar as applicable, the GCC, have been met.

4. SECURITY AND UNDERTAKINGS

- 4.1 If an Obligor provides or has provided security or gives or has given undertakings, these shall serve to secure all present and future indebtedness of that Obligor towards Deutsche Bank on any account whatsoever (including on account of derivative transactions) and whether or not arising in the ordinary course of banking business.
- 4.2 To the extent not already documented in any Finance Document, the security and undertakings shall be documented in additional instruments to be determined by Deutsche Bank and declared subject to general conditions to be adopted by Deutsche Bank for the relevant type of additional instrument. The Borrower shall bear all costs incurred in this regard. Unless it has been or is agreed otherwise, security provided to Deutsche Bank shall rank first in priority.
- 4.3 Each Obligor represents and warrants that it is authorised to enter into the Finance Documents and to perform all its obligations to Deutsche Bank thereunder and that these obligations are valid and enforceable.
- 4.4 Unless the Finance Documents explicitly provide otherwise, Deutsche Bank shall in no event be obliged to grant additional credit on the grounds that the amount recoverable through enforcement of the security provided to Deutsche Bank exceeds the amount for which it has requested security or the amount necessary to satisfy the payment obligations arising from the Finance Documents or on any other account whatsoever.
- 4.5 Without prejudice to the rights of Deutsche Bank under article 26 of the General Banking Conditions, an Obligor shall, at Deutsche Bank's first request, provide security (including additional security) considered satisfactory by Deutsche Bank for all present and future indebtedness of an

Obligor towards Deutsche Bank on any account whatsoever (including on account of derivative transactions) and whether or not arising in the ordinary course of banking business. This security (including additional security) shall at all times be such that Deutsche Bank, in its opinion, has and continues to have sufficient security, taking into account the Obligor's risk profile, the value of the security and any other facts relevant to Deutsche Bank. If necessary, the relevant Obligor shall replace and/or supplement the security (including additional security) to the satisfaction of Deutsche Bank. At the relevant Obligor's request, Deutsche Bank shall state the reasons for any requested security, or for any replacement or supplementation thereof.

4.6 If Deutsche Bank waives (*doet afstand van*) or cancels (*zegt op*) any security provided to it, the Obligor shall, at Deutsche Bank's first request, provide such other security as Deutsche Bank deems satisfactory. The Obligor is not required to provide such other security if Deutsche Bank has established that an Obligor neither has nor will have any further indebtedness towards it that is secured by such security and that all relationships between it and the Obligor have ended.

5. LEGAL SUCCESSORS OF OBLIGORS

In the event of a statutory demerger of an Obligor, each of the demerged entities shall be fully liable to Deutsche Bank for all present and future indebtedness of the demerging Obligor towards Deutsche Bank on any account whatsoever (including on account of derivative transactions) and whether or not arising in the ordinary course of banking business. Clause 6 shall in that event apply *mutatis mutandis*.

6. MULTIPLE OBLIGORS – INDEPENDENT OBLIGATIONS; JOINT AND SEVERAL LIABILITY

- 6.1 If multiple natural persons, legal persons and partnerships are parties to a Finance Document as Obligor, the obligations and duties of the Obligor towards Deutsche Bank under a Finance Document or the GCC shall be the obligations and duties of each such natural person, legal person and partnership as Obligor separately.
- 6.2 Each Obligor accepts, as its own independent obligation, liability for all present and future indebtedness of each other Obligor towards Deutsche Bank on any account whatsoever (including on account of derivative transactions and including each parallel debt under clause 35.2 or under any other Finance Document) and whether or not arising in the ordinary course of banking business. Each Obligor undertakes to pay Deutsche Bank any amount thus owed at the first request of Deutsche Bank. Failure by an Obligor to immediately comply with such a request shall in itself cause that Obligor to be in default (*verzuim*), without any notice of default (*ingebrekestelling*) being required.
- 6.3 Each Obligor waives, as against Deutsche Bank, all defences and rights accruing to joint and several debtors. To the extent that, contrary to the parties' intention, an Obligor's assumption of joint and several liability is characterised as a suretyship (*borgstelling*), that Obligor waives all defences and rights accruing to sureties, including the right of set-off.
- 6.4 Any offer to an Obligor to grant a suspension of payments, release from joint and several liability or waiver applies solely to that Obligor.
- 6.5 At Deutsche Bank's first request, the Obligors shall establish the extent to which the indebtedness is attributable to each Obligor individually. Each Obligor irrevocably authorises the Principal Borrower to establish, with one or more other Obligors, the amount attributable to each individual Obligor or the method by which that amount will be calculated.
- 6.6 Each Obligor accepts that it will in no event obtain statutory recourse rights against another Obligor.
- 6.7 Each Obligor accepts that it will at no time acquire the claims and the related security rights and other rights of Deutsche Bank against another Obligor by way of subrogation (*subrogatie*).
- 6.8 Each Obligor accepts the obligation to pay each other Obligor compensation equal to such part of the indebtedness as is attributable to it in their mutual relationship (the "Compensation Right"). The Compensation Right arises immediately upon the acceptance of joint and several liability under this clause 6, as a pre-existing obligation which becomes due and payable (i) if and when the indebtedness to Deutsche Bank is paid and (ii) to the extent that an Obligor has not already paid to Deutsche Bank or another Obligor such part of the indebtedness as is attributable to it in their mutual relationship.
- 6.9 Each Obligor undertakes to pledge its Compensation Right to Deutsche Bank as security for all present and future indebtedness of that Obligor towards Deutsche Bank on any account whatsoever (including on account of derivative transactions) and whether or not arising in the ordinary course of banking business.
- 6.10 In order to effectuate the above obligation, each Obligor hereby pledges, to the extent not already so pledged, its abovementioned Compensation Right to Deutsche Bank, as security for the indebtedness described above. The receipt or signing of the Credit Agreement by each Obligor constitutes notification (where appropriate, in advance) to each Obligor – as debtor in respect of the Compensation Right – of the abovementioned pledge. Deutsche Bank may waive the claims pledged.
- 6.11 To the extent not encumbered by a pledge as referred to above, the Compensation Right shall be subordinated to all present and future claims of Deutsche Bank against that other Obligor.
- 6.12 To the extent that the Compensation Right is not encumbered by a pledge as referred to above and subject to the condition precedent that an Obligor is being transferred to a third party as part of a restructuring (*ontvlechting*) of the group of that Obligor, each other Obligor hereby waives its Compensation Right against the Obligor being transferred, in the sense that no Compensation Right against that Obligor will exist or arise.
- 6.13 To the extent necessary for the pledging of the Compensation Right, each

Obligor hereby grants Deutsche Bank a power of attorney to pledge the Compensation Right to itself on behalf of that Obligor.

7. MULTIPLE OBLIGORS – PRINCIPAL BORROWER AS REPRESENTATIVE

- 7.1 By signing the Credit Agreement or a Deed of Accession each Obligor irrevocably appoints the Principal Borrower as its representative with regard to the Finance Documents.
- 7.2 The Principal Borrower is authorised, on behalf of each other Obligor, to provide Deutsche Bank with all information in relation to that Obligor that is required under the Finance Documents and to give all notifications and instructions, to enter into such agreements and to implement all changes, supplements and amendments to the Finance Documents without any further consultation with or approval of that Obligor being required.
- 7.3 Any notification, demand for payment or other communication under the Finance Documents to an Obligor may be issued by Deutsche Bank to the Principal Borrower as the representative of that other Obligor. The Principal Borrower shall immediately inform each other Obligor of such notification, demand for payment or other communication.
- 7.4 In each of the abovementioned cases the Obligor shall be bound by the notifications and instructions as if it itself had given such notifications and instructions, had performed or entered into the agreement, had implemented the abovementioned changes, supplements and amendments or had received the relevant notification, demand for payment or other communication.
- 7.5 Any act, omission, notification or other communication by the Principal Borrower or issued to the Principal Borrower for or on behalf of an Obligor in connection with the Finance Documents (irrespective of whether known to that Obligor and irrespective of whether the same occurred before or after that Obligor became an Obligor) shall be binding in all respects on that Obligor as if that Obligor itself had expressly performed that act or omission or given such notification or other communication or had expressly agreed to the same. In the event of a conflict between any notification or other communication given by the Principal Borrower and any notification or other communication given by another Obligor, those given by the Principal Borrower shall prevail.

8. MULTIPLE BORROWERS – DEMAND FOR PAYMENT / CANCELLATION

If Deutsche Bank is entitled for any reason to demand payment of all or part of the Credit (*opeisen*) or to cancel (*opzeggen*) the same, Deutsche Bank has the right (but at no time the obligation) to demand payment of or cancel all or that part of the Credit solely in relation to one or more specific Borrowers and to continue all or that part of the Credit in relation to the other Borrowers.

9. MULTIPLE BORROWERS – PARTNERSHIP

- 9.1 If an Obligor is a general partnership (*vennootschap onder firma*) or a limited partnership (*commanditaire vennootschap*), the general or managing partners are jointly and severally liable for the obligations of such partnership, as if each general or managing partner were itself an Obligor. The provisions in clauses 6 to 8 apply *mutatis mutandis*.
- 9.2 A general or managing partner who has left the partnership shall remain liable for the obligations to Deutsche Bank that were entered into in the partnership's name and arise from acts performed before the day on which the relevant partner left the partnership until such time as Deutsche Bank has expressly, and in writing, released that partner from those obligations.

10. COMPENSATION RIGHT IN CASES OF THIRD-PARTY SECURITY, SURETY AND GUARANTEE

- 10.1 Each Obligor hereby accepts, as a third-party clause (*derdenbeding*) within the meaning of article 6:253 of the Dutch Civil Code, the obligation to pay to a surety, guarantor or other third party that has created or will create a security right in favour of Deutsche Bank for the obligations of the relevant Obligor (each a "Third-Party Security Provider") compensation equal to such part of the secured obligation as is attributable to that Obligor, up to a maximum equal to the amount for which the Third-Party Security Provider has successfully been held liable. The Third-Party Security Provider's compensation right against the Obligor arises immediately upon the entry into the suretyship or guarantee or the creation of the third-party security right as a pre-existing obligation of each Obligor towards the Third-Party Security Provider, which becomes due and payable if and when the suretyship, guarantee or other third-party security right is enforced.
- 10.2 To the extent Deutsche Bank obtains a pledge over a compensation right as set out above, Deutsche Bank hereby notifies that pledge in advance to each Obligor, as debtor of the Third-Party Security Provider's compensation right.

11. SET-OFF

- 11.1 Deutsche Bank may, at any time and without prior notice to this effect, set off debts owed by Deutsche Bank to an Obligor on any account whatsoever, against debts owed by that Obligor or any other Obligor to Deutsche Bank on any account whatsoever, including contingent claims of Deutsche Bank (such

as those incurred under credit in the form of a contingent liability credit), irrespective of whether the debts to be set off can be declared immediately due and payable (*opeisbaar*) or whether they are capable of being paid (*betaalbaar*) and irrespective of the currency in which they are denominated.

- 11.2 Debts denominated in a foreign currency shall be set off at the exchange rate in effect on the set-off date.
- 11.3 Deutsche Bank shall notify the relevant Obligor of the set-off applied. The sending of a bank statement for the account in which the set-off has been effected shall serve as the relevant notice.

12. NEGATIVE PLEDGE

As long as any Obligor has any indebtedness towards Deutsche Bank, on any account whatsoever (including on account of derivative transactions) and whether or not arising in the ordinary course of banking business, or as long as any such indebtedness can arise, no Obligor shall, without Deutsche Bank's prior written consent, stand surety or assume joint and several liability in favour of any party other than Deutsche Bank or transfer, burden or encumber all or part of its assets to or in favour of a third party or undertake to a third party to do so. An Obligor may, however, transfer an asset in the ordinary course of its business in return for payment (other than by set-off) of a market price, on market terms and in accordance with the nature of and use for which that asset is intended.

13. TRANSFER AND PLEDGE OF CREDIT BALANCES

Except with Deutsche Bank's prior written consent, claims arising from credit balances on accounts held at Deutsche Bank may not be transferred or pledged or encumbered with a right of enjoyment (*genotsrecht*) other than to or in favour of Deutsche Bank or its group companies.

14. TRANSFER AND PLEDGE

- 14.1 Deutsche Bank may pledge all its rights under any Finance Document and transfer all its rights and obligations under any Finance Document in whole or in part, to a third party by assignment (*cessie*), transfer of contract (*contractoverneming*), assumption of debt (*schuldoverneming*) or a combination thereof or in any other manner. Deutsche Bank may also transfer all or part of its economic risk in respect of any Finance Document to a third party by means of a sub-participation agreement or in any other manner. In the event of a transfer of economic risk, Deutsche Bank shall remain the Obligor's contractual counterparty in accordance with the provisions of the relevant Finance Document.
- 14.2 Each Obligor consents in advance to such a pledge, assignment, transfer of contract, assumption of debt or a combination thereof, or to any other manner of transfer to a third party, and undertakes to cooperate therein and to perform any acts required to encumber rights or to transfer all or part of the rights and obligations under the Finance Documents.

15. INSURANCE

- 15.1 Each Obligor shall at all times maintain insurance satisfactory to Deutsche Bank on the terms usual in its line of business, against the prevailing general and specific business risks faced in that line of business and in the Borrower's particular business, and shall, in a timely manner, pay all premiums and other charges and provide all information and notifications requested by the insurer. An Obligor shall provide Deutsche Bank, at its first request, with a copy of each relevant insurance policy and with evidence satisfactory to Deutsche Bank that the premiums and other charges have been paid.
- 15.2 To the extent that an Obligor fails to comply with any obligation set forth in clause 15.1, Deutsche Bank may itself arrange for insurance or additional insurance, in its own name if it so wishes, against the business risks referred to in clause 15.1 and to pay the premiums and other charges due by the Obligor, in each case at the expense of such Obligor.
- 15.3 The Principal Borrower warrants the prompt and proper performance of the obligations of each other Obligor pursuant to clause 15.

16. CREDIT INSURANCE

Deutsche Bank may, at the expense of the Obligors, insure its risks arising from the Credit Agreement if it considers repayment of the Credit to be insufficiently assured.

17. VALUATION

Deutsche Bank may, as often as Deutsche Bank considers necessary for the purpose of assessing its possibilities of recovery, appoint a valuer to value the assets serving as security or otherwise available to it for recovery (whether under a right of security or otherwise), in a manner to be established by Deutsche Bank. The costs of the valuation shall be for the account of the Borrower and/or the Obligor, each of whom shall be fully liable for such costs. The Obligor shall immediately and unconditionally allow the valuer appointed by Deutsche Bank access to inspect all the assets and to obtain all the relevant information and documents needed to perform the valuation of those assets.

18. COSTS, EXPENSES AND RATE INCREASES

- 18.1 All costs and expenses incurred by Deutsche Bank in connection with the preparation and performance of the Finance Documents shall be for the Borrower's account and shall be paid by the Borrower at Deutsche Bank's first request. The foregoing shall include any costs and expenses incurred by Deutsche Bank as a result of failure by an Obligor, or any third party providing security, to perform in a timely and proper manner any obligation under the Finance Documents or any other obligation whatsoever, such as collection charges, costs relating to the enforcement of security, fees of legal advisers and other experts and the costs of proceedings against third parties or the Obligor itself, together with any taxes payable now or in the future (other than on net profit to which Deutsche Bank is or will be subject) in connection with the Credit or any Finance Document.
- 18.2 Without prejudice to what is provided elsewhere in these GCC (including clauses 39, 45, 46, 56 and 71.4) regarding interest rate adjustments, Deutsche Bank may at any time increase an agreed interest rate, including (if applicable) the individual margin and surcharges (*toeslagen*). The circumstances in which Deutsche Bank may exercise this right include (without limitation) circumstances where, in its opinion:
- an Obligor's risk profile changes, for example because market conditions or its solvency, liquidity or profitability worsens or is expected to worsen;
 - Deutsche Bank is unable to assess an Obligor's risk profile due to a lack of information;
 - the value of the security provided to Deutsche Bank decreases;
 - changes occur in the money and capital markets as a result of which Deutsche Bank's financing costs increase (*markttoeslag*);
 - at any time if the cost to Deutsche Bank of providing or continuing to provide the Credit has increased as a direct or indirect result of credit-restricting measures, solvency guidelines or other cost-increasing rules or provisions (including any codes of conduct with which compliance has been requested) issued by the Dutch Central Bank (*De Nederlandsche Bank N.V.*), the European Central Bank, the Federal Financial Supervisory Authority (*Bundesanstalt für Finanzdienstleistungsaufsicht*) or any other authority exercising supervision over Deutsche Bank (*kapitaaltoeslag*).
- Such an adjustment may result in the application of a margin or surcharge that was not previously applied or was applied at a lower rate. Deutsche Bank may also reduce an interest rate at any time.
- 18.3 Deutsche Bank may at any time charge a credit monitoring fee if a Borrower falls under the supervision of Deutsche Bank's WRM department (*Workout & Recovery Management, bijzondere beheer*). Deutsche Bank may debit the fee from a current account of the Borrower at Deutsche Bank or from an internal account held for the Borrower in Deutsche Bank's books and records.

19. CALCULATION OF INTEREST AND CHARGES

- 19.1 Without prejudice to clause 19.3, interest on amounts in Euro and commitment fees (*bereidstellingsvergoeding*) shall be calculated on the basis of the actual number of days in a month and a three hundred sixty day (360-day) year.
- 19.2 Interest and commitment fees set by Deutsche Bank shall, save manifest error, be binding on a Borrower. Deutsche Bank shall confirm the interest and commitment fees to a Borrower in writing.
- 19.3 Deutsche Bank may at any time amend the calculation method and period and the settlement method and period of any interest, commission, fees and other charges due under any Finance Document.
- 19.4 Deutsche Bank shall under no circumstances be required to pay negative interest. In the event of a negative interest rate, the rate will be considered zero.

20. PROVISION OF INFORMATION

- 20.1 Each Obligor shall send Deutsche Bank its balance sheet, profit and loss account and the explanatory notes thereto for the past financial year immediately after they have been drawn up and in any event no later than six (6) months after the end of the relevant financial year. If the Obligor is part of a group, it shall also send the consolidated balance sheet, profit and loss account and the explanatory notes thereto for the holding company. Deutsche Bank may impose requirements with respect to the organisation of the abovementioned documents and the party drawing them up.
- 20.2 Each Obligor that is not a legal entity shall send Deutsche Bank, at its first request, his or her most recent income tax return.
- 20.3 Each Obligor shall inform Deutsche Bank promptly and in writing of any intended change in the corporate structure or legal form of the Obligor or of any entity in the group to which it belongs, any change in the management of or control over the Obligor or the group to which it belongs, and any intended change in its articles of association.
- 20.4 Each Obligor shall provide Deutsche Bank, at the latter's first request, with any information and any undertaking (*verklaring*) that Deutsche Bank considers of importance for its credit relationship with the Obligor or for compliance by Deutsche Bank and its group companies with regulatory legislation.
- 20.5 At Deutsche Bank's first request each Obligor shall allow Deutsche Bank, or a third party designated by Deutsche Bank, to inspect its books and records and extract from them all information that Deutsche Bank considers necessary to exercise its rights.
- 20.6 Each Obligor shall immediately inform Deutsche Bank, either at the latter's first request or on its own initiative, of all facts and circumstances (including those concerning its financial position, the financial position of the group to which it belongs, any business developments that could have a material effect on its financial position and any actual or threatened litigation against the Obligor or a member of the group to which it belongs) of which it is aware

and that have led to a default under the Finance Documents or on any account whatsoever or where it is reasonably foreseeable that such facts or circumstances could lead to such a default, including the circumstances referred to in clause 24.

- 20.7 The Principal Borrower warrants the prompt and proper performance of the obligations of each other Obligor pursuant to clause 20.

21. PROTECTION OF PERSONAL DATA; EXCHANGE OF INFORMATION

- 21.1 Deutsche Bank shall handle the personal data of each Obligor or potential Obligor, each Obligor or potential Obligor's representatives and any other relevant parties in accordance with the applicable legislation and regulations protecting personal data and personal privacy. Personal data shall be processed with a view to the efficiency and effectiveness of Deutsche Bank's business operations and specifically for the purpose of:
- assessing and accepting an Obligor or potential Obligor, entering into and performing agreements with an Obligor or potential Obligor and executing payments;
 - analysing personal data for statistical and research purposes;
 - performing targeted or other marketing activities in order to establish and/or maintain or expand a relationship with a client or potential client or other relevant parties;
 - ensuring the safety and integrity of the financial sector, including identifying, preventing, investigating and countering any actual or attempted criminal or other undesired activity directed against the sector of which Deutsche Bank forms part, the group to which Deutsche Bank belongs, Deutsche Bank itself, its clients and employees, as well as using and participating in warning systems;
 - complying with statutory obligations; and
 - managing the relationship with the Obligor.
- 21.2 Articles 10 and 11 of the General Banking Conditions shall apply in addition to the provisions on personal data set forth in clause 21.1. Deutsche Bank may supply information about an Obligor, including personal data, to Deutsche Bank's legal or potential legal successor(s), whether by universal or singular title (*onder algemene of bijzondere titel*), including in the context of financing transactions. Deutsche Bank may also supply these data to a third party who is or will be a party to a pledge or transfer by Deutsche Bank of its rights and obligations within the meaning of clause 14. Deutsche Bank may exchange personal data within the group to which it belongs, including for the purposes of performing the activities referred to in clauses 21.1 and 21.2 such as commercial activities (e.g. sending information to a client or potential client and other targeted marketing activities), as well as in the context of financing transactions.
- 21.3 Deutsche Bank may engage third parties to assist in its business operations or in the performance of its activities, both from within and outside the group to which Deutsche Bank belongs and both from within and outside the European Union.
- 21.4 If a third party has provided or provides security or undertakings, Deutsche Bank may extend information to that third party on a Finance Document, the financial position of an Obligor and all other facts relating to the Credit that may be of importance to that third party.
- 21.5 Deutsche Bank may obtain information from third parties, including credit agencies, for assessing the financial position of an Obligor.

22. PAYMENTS

- 22.1 Each Obligor shall make all payments to Deutsche Bank without any cost to Deutsche Bank and without any deduction or set-off on the due dates agreed in the relevant Finance Documents or, in the absence of any written agreement in this respect, at the times customary to Deutsche Bank and into the account in which the relevant Credit is administered, unless Deutsche Bank has notified the Obligor of another payment method.
- 22.2 Deutsche Bank is entitled to determine the specific Credit to which payments will be applied. Payments to Deutsche Bank, including proceeds from the enforcement of security, shall be applied in the following order: (i) any costs and expenses; (ii) any compensation for losses and foregone profits and default interest; (iii) commission, fees and interest, and lastly (iv) principal.

23. DEFAULT

If an Obligor fails to perform any obligation under the Finance Documents or on any account whatsoever, this in itself shall cause the Obligor to be in default (*verzuim*), without any notice of default (*ingebrekestelling*) being required.

24. EARLY TERMINATION (*TUSSENTIJDSE BEËINDIGING*)

- 24.1 Deutsche Bank may terminate the Credit Agreement in relation to one or more Obligors, upon the occurrence of any of the following events:

- (m) if an event of a political, military, economic or financial nature occurs, or if any Obligor's financial position substantially deteriorates, or if it is foreseeable that such an event or deterioration may occur, such that, in the opinion of Deutsche Bank, the ability of any Obligor duly to perform its obligations to Deutsche Bank could be prejudiced;
- (n) if Deutsche Bank receives adverse publicity as a result of its relationship with any Obligor or such publicity can be expected within a foreseeable period; if any Obligor or a person related thereto is the subject of or involved in a criminal investigation (including an investigation into tax fraud) or such an investigation can be expected within a foreseeable period; if Deutsche Bank's good name and reputation are or could be damaged by its relationship with any Obligor or if such damage can be expected within a foreseeable period; all of the foregoing in the opinion of Deutsche Bank;

- (p) if any event referred to in (c) up to and including (n) occurs in respect of one or more group companies of any Obligor, or in respect of one or more persons or companies that have a controlling interest in any Obligor, or if any such person or company defaults in the performance of any obligation to Deutsche Bank under any loan, credit or other type of financing agreement entered into with Deutsche Bank;

- (t) if any security provided to Deutsche Bank proves, for whatever reason, to be non-existent or the action taken to establish the security proves to be void or voidable;
- (u) if Deutsche Bank has reasonable grounds for believing that an amount owed by an Obligor under any Finance Document will or may not be recovered;
- (v) if an Obligor gives Deutsche Bank incorrect information or withholds information from Deutsche Bank which, in the opinion of Deutsche Bank, is material;
- (w) if the Credit is not used for the purpose for which it was granted or if, in the opinion of Deutsche Bank, it is clear that the purpose for which the Credit was granted has not been or will not be fully achieved;
- (x) if any law or its interpretation changes or government action is taken that relates to or affects, or may relate to or affect, the validity or enforceability of (i) any agreement between any Obligor and Deutsche Bank relating to the Credit and/or (ii) the security provided to Deutsche Bank and/or the value thereof, and any Obligor and Deutsche Bank have not, within a period to be determined by Deutsche Bank, reached a written agreement amending the relevant agreement and/or adjusting the security in such a way that, in Deutsche Bank's opinion, the position of Deutsche Bank is not adversely affected;
- (y) the pledgor, mortgagor or any user of the security provided to Deutsche Bank or of any other asset to which recourse may be sought refuses to allow access for the purposes of the valuation referred to in clause 17; or
- (z) if an event analogous to one referred to in (a) up to and including (x) occurs outside the Netherlands in relation to any (i) Obligor, (ii) group company of, or person or company with a controlling interest in any Obligor, (iii) surety (*borg*), (iv) guarantor (*garant*), (v) joint and several debtor (*hoofdelijk medeschuldenaar*) or (vi) third party that has provided any form of security to Deutsche Bank.
- 24.2 Each Obligor undertakes to immediately notify Deutsche Bank in writing of the occurrence of any event referred to in clause 24.1.
- 24.3 In the event of termination of the Credit Agreement as referred to in clause 24.1, the entire amount owed by a Borrower under the Credit becomes immediately due and payable (*opeisbaar*) without any demand (*sommatie*) or notice of default (*ingebrekestelling*) being required. Deutsche Bank then has the right to demand immediate payment of all or part of the amount owed by a Borrower under the Credit. Termination of the Credit Agreement pursuant to clause 24.1 shall also automatically result in the cancellation of all Limits. If the demand for payment of an amount does not relate to all the forms in which the Credit has been made available, the relevant Limit shall be automatically cancelled for that amount.
- 24.4 If the Credit Agreement is terminated pursuant to clause 24.1 or if it expires, Deutsche Bank and the Borrower(s) shall settle their mutual rights and obligations thereunder as soon as possible. Each Borrower shall cooperate in this regard to the full extent deemed useful by Deutsche Bank. The Credit Agreement shall remain in effect until, in Deutsche Bank's opinion, all rights and obligations have been settled.
- 24.5 If Deutsche Bank has demanded payment of the Credit as referred to in clause 24.3, and without prejudice to any other provision in these GCC or

other Finance Document relating to the level of interest or default interest payable on any facility provided under the Credit, interest shall be payable, from the date on which the declaration is made and on the amount of the Credit declared immediately due and payable, at a rate of two per cent (2%) per annum plus (i) to the extent that any contractual interest rate applies, the contractual interest rate (including any individual margin applying) or, in the event of multiple credit facilities, the highest contractual interest rate (including any individual margin applying) or (ii) in all other cases, the €STR rate or the RFR rate for the relevant currency (plus the individual margin referred to in (i)), to be determined on each day on which the amount declared immediately due and payable continues to be unpaid. This interest shall be calculated on a monthly basis, based on the actual number of days expired and a three hundred sixty day (360-day) year. From the date on which any principal amount is declared immediately due and payable and remains unpaid, this interest rate shall replace the contractual interest rate (respectively, to the extent applicable, the default interest rate) applying immediately prior to the date that such principal amount is declared due and payable.

25. CHOICE OF ADDRESS/DOMICILE

- 25.1 Each Obligor is domiciled at its own address and, for all matters relating to or arising from the provisions in the Credit Agreement and the GCC, also elects domicile (i) at the address of the Principal Borrower, which address may be changed by any of them by means of written notification to Deutsche Bank, as well as (ii) at each other's address. Notifications sent to any of these addresses shall constitute notification to each of the Obligors.
- 25.2 If an Obligor is or includes a private partnership (*maatschap*), general partnership (*vennootschap onder firma*) or limited partnership (*commanditaire vennootschap*), each of the general or managing partners is domiciled at its own address and, for all matters relating to or arising from the provisions in the Credit Agreement and the GCC, also elects domicile (i) at the address of the Principal Borrower, which address may be changed by any of them by means of written notification to Deutsche Bank, as well as (ii) at each other's address. Notifications sent to any of these addresses shall constitute notification to each of the Obligors.

26. POWER OF ATTORNEY

- 26.1 Each Obligor hereby grants Deutsche Bank a power of attorney to perform all legal acts (*rechtshandelingen*) aimed at the fulfilment of each obligation arising from the Finance Documents and the GCC, including the provision of security or additional security for all present and future claims of Deutsche Bank against an Obligor, without any obligation for Deutsche Bank to make use of this power of attorney and without prejudice to the Obligor's obligation to comply with the relevant obligation itself. If an Obligor is a private partnership (*maatschap*), general partnership (*vennootschap onder firma*) or limited partnership (*commanditaire vennootschap*), each partner hereby grants the power of attorney as referred to in the previous sentence, without any obligation for Deutsche Bank to make use of this power of attorney and without prejudice to the obligation of such partner to comply with the relevant obligation itself. The power of attorney is granted in the interest of Deutsche Bank and its group companies.
- 26.2 Deutsche Bank may exercise this power of attorney as often as it deems desirable.
- 26.3 Each power of attorney and mandate that is or is required to be granted to Deutsche Bank in the Finance Documents and the GCC is irrevocable, unconditional and with the right of substitution. When performing any legal act under this power of attorney, Deutsche Bank may act as the Obligor's counterparty.

27. LIMITATION OF DEUTSCHE BANK'S LIABILITY

Insofar as liability is not already excluded by law, Deutsche Bank shall in any event not be liable if a shortcoming in the performance of an obligation towards the Borrower is the result of international conflicts, violent or armed actions, measures taken by any domestic, foreign or international government authority, measures taken by any supervisory authority, boycotts, labour disturbances among the staff of third parties or Deutsche Bank's own staff, power failures or breakdowns in communication links or equipment or software of Deutsche Bank or of third parties.

28. APPLICATION, SCOPE AND OTHER CONDITIONS

- 28.1 If an earlier version of the GCC or a version of the general credit conditions of a legal predecessor of Deutsche Bank is declared applicable to an agreement or other document, the conditions in this version of the GCC shall constitute a continuation (whether or not in amended form) of the conditions in such earlier version of the GCC or general credit conditions of a legal predecessor of Deutsche Bank, respectively. The conditions in any earlier version of the GCC or general credit conditions of a legal predecessor of Deutsche Bank, respectively, shall continue to apply if and to the extent that the conditions in these GCC do not apply or if and to the extent that a Finance Document declares both the general credit conditions of a legal predecessor of Deutsche Bank and the conditions in these GCC to be applicable. The right to demand security and the security interests created pursuant to an earlier version of the applicable conditions shall continue to apply in full.
- 28.2 The GCC shall remain applicable until, in Deutsche Bank's opinion, all legal

- 28.3 relationships to which they apply have been settled (*afgewikkeld*) in full. The General Banking Conditions apply to the Credit, the Credit Agreement, any other Finance Document and any other legal relationship between Deutsche Bank and an Obligor. Each Obligor confirms that it has received a copy of and agrees to the contents of the General Banking Conditions.
- 28.4 If the Credit is secured by a pledge or mortgage granted by a party other than the Borrower, the Borrower shall be bound by the obligations imposed on it in the general conditions that apply in respect of the relevant security right.
- 28.5 In the event of a conflict between the provisions in the GCC and provisions in a Finance Document, the provisions in the relevant Finance Document shall prevail. If a Finance Document does not include a provision on a matter for which provision is made in the GCC, this shall not be taken to mean that the party or parties to that Finance Document did not intend the provision in the GCC to apply.
- 28.6 In the event of a conflict between the provisions in the General Banking Conditions and provisions in a Finance Document, the provisions in that Finance Document shall prevail.
- 28.7 The voidness or voidability of any provision in the Credit Agreement, any other Finance Document or the GCC does not result in the voidness or voidability of the Credit Agreement, that other Finance Document or the GCC, in their entirety or of any other provision included in them.

29. AMENDMENT OF FINANCE DOCUMENTS

- 29.1 Amendments to a Finance Document must be made in writing.
- 29.2 Deutsche Bank may amend or supplement a Credit Agreement under which an Asset Based Finance facility is granted. The procedure set out in clause 30 shall apply to such amendment or supplementation.
- 29.3 Where a Credit Agreement under which an Asset Based Finance facility is granted does not provide for debtor management (*debiteurenbeheer*) by Deutsche Bank, Deutsche Bank may nevertheless provide such servicing if the risk of non-repayment by the Borrower or any other circumstance gives Deutsche Bank reason to do so. In that event Deutsche Bank shall incorporate the Borrower's debtor portfolio in its own records in whole or in part and proceed, to the exclusion of the Borrower, to collect Claims that have been pledged (whether by way of a disclosed pledge or an undisclosed pledge) or assigned to Deutsche Bank. In that event, the provisions of Part VI (General Conditions for Credit in the form of an Asset Based Finance facility) under E. (General Conditions for debtor management) shall apply.

30. AMENDMENT OF GENERAL CREDIT CONDITIONS

Deutsche Bank may amend or supplement the GCC. Deutsche Bank shall notify each Obligor (whether directly or through the Principal Borrower pursuant to either the provisions in clause 7 or the power of attorney granted in clause 26), either in writing or electronically, of any amendment or addition at least thirty (30) calendar days prior to the intended effective date. If Deutsche Bank does not receive a written objection from an Obligor against the amendment or addition before the specified effective date, that Obligor shall be deemed to have accepted the amendment or addition, and the new version of the GCC, as amended or supplemented, shall be binding on that Obligor. If an Obligor objects in writing and on reasonable grounds to the applicability of the new version of the GCC, the earlier version of the GCC shall remain binding on the Obligor, but Deutsche Bank shall be entitled to cancel the Credit on reasonable notice and rescind (*ontbinden*) the Credit Agreement.

31. ABRIDGED REFERENCE

The GCC shall be referred to in any Finance Document or any other agreement between a Borrower and Deutsche Bank or any of its group companies as the 'General Credit Conditions of Deutsche Bank (corporate clients) of December two thousand twenty-one' and/or the 'General Credit Conditions (corporate clients)'.

32. LEGAL TERMINOLOGY

- 32.1 The words used in the Credit Agreement or the GCC to describe legal concepts, although in English, refer to Netherlands legal concepts only and the interpretation of those words under the laws of any country other than the Netherlands is to be disregarded.
- 32.2 References in the Finance Documents and in the GCC to Dutch legal concepts shall be deemed, in respect of any jurisdiction other than the Netherlands, to refer to the concepts in that jurisdiction that most closely approximate the Dutch legal concepts.

33. NO IMPLIED WAIVER (*RECHTSVERWERKING*)

Failure by Deutsche Bank at any time to demand the performance of an obligation or to exercise a right shall not be deemed to constitute a waiver of the right to demand performance of that obligation or, respectively, of the entitlement to exercise that right.

34. NO RESCISSION, SUSPENSION OR NULLIFICATION

- 34.1 Each Obligor waives the right to rescind or demand the rescission (*ontbinding*) of any Finance Document.
- 34.2 An Obligor may under no circumstances suspend (*opschorten*) the performance of its obligations under any Finance Document or on any account whatsoever, not even by disputing the amount owed.

35. PARALLEL DEBT FOR EACH PAYMENT OBLIGATION TO DEUTSCHE BANK LUXEMBOURG S.A.

- 35.1 For the application of this clause 35, a 'Corresponding Obligation' of an Obligor shall refer to any present or future payment obligation of that Obligor towards Deutsche Bank Luxembourg S.A. on any account whatsoever (including on account of derivative transactions) and whether or not arising in the ordinary course of banking business.
- 35.2 Each Obligor irrevocably and unconditionally undertakes to pay to Deutsche Bank the amount of each Corresponding Obligation of that Obligor as in effect from time to time (a 'Parallel Debt'). Each payment obligation of an Obligor under a Parallel Debt shall become due and payable at the time that the related Corresponding Obligation of that Obligor becomes due and payable. The claims of Deutsche Bank arising from the previous sentence are Deutsche Bank's own separate and independent claims.
- 35.3 An amount paid by an Obligor to Deutsche Bank under a Parallel Debt shall discharge that Obligor, for the same amount, from liability towards Deutsche Bank Luxembourg S.A. for the related Corresponding Obligation. An amount paid by an Obligor to Deutsche Bank Luxembourg S.A. under a Corresponding Obligation shall discharge that Obligor, for the same amount, from liability towards Deutsche Bank for the related Parallel Debt. The total amount outstanding under a Parallel Debt of an Obligor may at no time exceed the total amount outstanding under the related Corresponding Obligation of that Obligor.

36. APPLICABLE LAW; DISPUTES

- 36.1 Unless expressly stated otherwise, the Finance Documents and any non-contractual obligations relating to the GCC or any other Finance Document shall be governed by and construed in accordance with Dutch law.
- 36.2 Contrary to the provisions in clause 36.1 and unless expressly provided otherwise, if a Finance Document contains an obligation to assign or pledge a claim personal to the claimant (*vordering op naam*), the law that would otherwise apply to that obligation or to the assignment or pledge itself shall be replaced by the law applicable to the deed in which the relevant claims are assigned or pledged, such deed to be drawn up or approved by Deutsche Bank.
- 36.3 If an Obligor that was formed under Dutch law or - if a natural person - who resides in the Netherlands is represented by an attorney-in-fact (*gevolmachtigde*) in connection with the signing of any Finance Document, each other Obligor and Deutsche Bank confirm and acknowledge that the existence and extent of the attorney's authority and the effects of the attorney's exercise or purported exercise of this authority will be governed by Dutch law.
- 36.4 All disputes between Deutsche Bank and an Obligor relating to these GCC or any other Finance Document shall be submitted to the competent court in Amsterdam. Deutsche Bank may nevertheless choose to submit a dispute to another competent court in the Netherlands or elsewhere.

II. GENERAL CONDITIONS FOR CREDIT IN THE FORM OF AN OVERDRAFT FACILITY

37. USE

An overdraft facility may be used for withdrawing funds from a current account.

38. MAXIMUM AVAILABLE AMOUNT

- 38.1 Deutsche Bank shall determine the maximum amount available to a Borrower under the overdraft facility by deducting the amount of any outstanding current account debit balance from an amount equal to the relevant Limit.
- 38.2 If the debit balance on a current account is, in the opinion of Deutsche Bank, unacceptably high, each Borrower is obliged to reduce that debit balance to a level acceptable to Deutsche Bank at the latter's first request.
- 38.3 Deutsche Bank may at any time reject, in whole or in part, a withdrawal requested by a Borrower if, in the opinion of Deutsche Bank, the withdrawal would cause the debit balance on the relevant current account to become unacceptably high.

39. INTEREST AND FEES

- 39.1 In calculating the interest due on debit balances up to the Limit of the overdraft facility, Deutsche Bank shall apply the following rates:
- (a) a variable interest rate (including an individual margin), or
 - (b) the EURO Base Rate, or
 - (c) the one-month Euribor rate, or
 - (d) the average one-month Euribor rate, or
 - (e) the €STR rate, or
 - (f) SARON rate, or
 - (g) the SOFR rate, or
 - (h) the SONIA rate, or
 - (i) the TONA rate.
- Each of the rates referred to in (b) up to and including (i) shall be increased by the individual margin specified in the Credit Agreement. Deutsche Bank may increase the above-mentioned rates and individual margins in accordance with clause 18.2. The Credit Agreement will specify which of the above rates will be used to calculate interest. Insofar as specified in the Credit Agreement, the interest based on a rate as referred to in (b) up to and including (i) shall be subject to a minimum percentage as indicated in the Credit Agreement.
- 39.2 Deutsche Bank may at any time change the variable interest rate or the EURO Base Rate specified in the Credit Agreement. Deutsche Bank shall notify the Borrower as soon as possible of such a change.
- 39.3 Each month Deutsche Bank shall set the Euribor rates for the purposes of calculating interest on current account debit balances in Euro on the basis of one-month Euribor in accordance with the definition of Euribor, which rates shall apply for the period starting on the final day of the current calendar month and ending on the penultimate day of the next calendar month.
- 39.4 Deutsche Bank shall publish the average one-month Euribor rate on its website (www.country.db.com/netherlands) or shall otherwise communicate such rate to the client. Deutsche Bank will set the average one-month Euribor rate on the penultimate TARGET Day of a calendar month, based on the published one-month Euribor rates for the relevant period. The rate thus calculated shall apply for the period starting on the final day of the previous calendar month and ending on the penultimate day of the current calendar month.
- 39.5 Deutsche Bank shall, on a daily basis, determine the €STR rate to be used that day for the calculation of interest on current account debit balances in Euro.
- 39.6 Deutsche Bank shall, on a daily basis, determine the relevant RFR rate to be used that day for the calculation of interest on current account debit balances a currency other than Euro
- 39.7 Interest payable by a Borrower on debit balances with a rate other than €STR or a RFR shall be determined by Deutsche Bank.
- 39.8 Without prejudice to the provisions in clause 38, the compensation referred to in the Credit Agreement or any other Finance Document shall be payable on any amount by which the debit balance of a Borrower exceeds the Limit of the overdraft facility.
- 39.9 Without prejudice to clause 19.3, interest and fees owed by a Borrower shall be calculated and charged in accordance with the calculation method and calculation period customarily applied by Deutsche Bank for overdraft facilities at any given time.
- 39.10 If a Borrower maintains more than one current account with Deutsche Bank, Deutsche Bank may charge the interest and fees due in relation to all of these accounts to one of these accounts.

40. CANCELLATION; REDUCTION OF LIMIT

Both a Borrower and Deutsche Bank may at any time cancel Credit granted in the form of an overdraft facility or reduce the Limit, without prejudice to the fees and other charges imposed by Deutsche Bank for the Credit. In the event of cancellation, clauses 24.3 and 24.5 apply *mutatis mutandis*. With immediate effect upon cancellation, no further use may be made of the overdraft facility. If the Limit is reduced, clauses 24.3 and 24.5 apply *mutatis mutandis* to the amount by which the debit balance exceeds the reduced Limit.

III. GENERAL CONDITIONS FOR CREDIT IN THE FORM OF A LOAN

41. DEFINITIONS

In this part III, the following definitions shall supplement the definitions listed in part I:

Immovable

- (i) with respect to a loan with a variable interest rate as referred to in clause 43.1(a): the day on which a change by Deutsche Bank in the variable rate takes effect; and
- (ii) with respect to a loan with a fixed interest rate applying during part of the term of the loan as referred to in clause 43.1(c): the day on which a change in the fixed rate takes effect.

42. DRAWINGS

- 42.1 A Borrower wishing to draw a loan shall notify Deutsche Bank of the drawing date, which must be a Business Day, and of the amount to be drawn. Such notification shall be given no later than three (3) Business Days prior to the intended drawing date and in the manner to be specified by Deutsche Bank.
- 42.2 Deutsche Bank shall make the loan available by crediting the relevant amount to a current account that is held in the Borrower's name at Deutsche Bank.

43. TYPES OF INTEREST RATE

- 43.1 In calculating interest on a loan, Deutsche Bank shall apply the following rates:
- (a) a variable interest rate (including an individual margin); or
 - (b) a variable interest rate based on Euribor (for a loan in Euro), SARON (for a loan in Swiss Franc), SOFR (for a loan in U.S. Dollar), SONIA (for a loan in British Pound) or TONA (for a loan in Japanese Yen), increased by an individual margin; or
 - (c) a fixed interest rate (including an individual margin) for the duration of (i) the entire term of the loan, or (ii) part of the term of the loan.
- Deutsche Bank may increase the above-mentioned rates and individual margins in accordance with clause 18.2.
- 43.2 The Credit Agreement will specify which type of interest rate applies and the level of that rate (including, if applicable, the individual margin).

44. INTEREST PERIODS

- 44.1 Unless a fixed interest rate for the duration of the entire term of the loan (as referred to in clause 43.1(c)) applies, the term of the loan shall be divided into a series of successive Interest Periods. The first Interest Period shall begin on the day on which the amount of the loan is made available to a Borrower under the Credit Agreement, and each subsequent Interest Period shall begin on the day following the last day of the preceding Interest Period.
- 44.2 A rate set for an Interest Period shall apply as from the first day of that Interest Period or, if that day is not a Business Day, as from the next Business Day, and shall apply up to and including the last day of that Interest Period or, if the first day of the next Interest Period is not a Business Day, up to and including the day immediately preceding the first Business Day of the next Interest Period.

45. RESETTING VARIABLE INTEREST RATE

- 45.1 Deutsche Bank may at any time change a variable interest rate as referred to in clause 43.1(a). If Deutsche Bank elects to do so, it shall notify the Borrower in writing of the change in good time before the Interest Reset Date. If the Borrower does not accept the changed interest rate, the Borrower shall notify Deutsche Bank thereof in writing no later than five (5) Business Days prior to the Interest Reset Date, failing which the Borrower will be deemed to have agreed to the new rate. If so requested by a Borrower no later than five (5) Business Days prior to an Interest Reset Date, Deutsche Bank shall, as from the first day of the next Interest Period, convert the relevant variable-rate loan into a fixed-rate loan for a period to be selected by the Borrower at Deutsche Bank's fixed interest rate then prevailing. If the chosen fixed-rate period ends before the end of the term of the loan, the interest rate shall be reset at the end of the fixed-rate period in accordance with the provisions of clause 46.
- 45.2 If Deutsche Bank and a Borrower fail, or can be deemed to have failed, to reach agreement on the variable interest rate that will apply as from the Interest Reset Date, that Borrower shall repay to Deutsche Bank the entire amount outstanding under the loan on such Interest Reset Date. The Borrower shall not owe any compensation, as referred to in clause 48, for losses and foregone profits resulting from such early repayment.

46. RESETTING OF FIXED INTEREST RATE

- 46.1 If a fixed interest rate has been agreed for part of the term of the loan as referred to in clause 43.1(c), Deutsche Bank shall notify the Borrower in writing of the proposed interest rate for the next Interest Period in good time before the Interest Reset Date, without prejudice to clause 46.4. Agreement on the interest rate must be reached no later than five Business Days prior to the Interest Reset Date.
- 46.2 If a Borrower fails to respond in writing to the abovementioned notice from Deutsche Bank at least five (5) Business Days prior to the Interest Reset Date, the Borrower shall be deemed to have opted for the interest rate applying to the shortest Interest Period specified in such notice.
- 46.3 If the loan is not denominated in Euro, the Borrower shall contact Deutsche Bank by telephone before ten hours (10.00) a.m. (Amsterdam time) on the second Business Day prior to the Interest Reset Date. During or immediately after this telephone call, Deutsche Bank shall inform the Borrower of the interest rate it proposes for the next Interest Period. If in such case Deutsche Bank and the Borrower reach agreement on the rate, Deutsche Bank shall confirm the rate to the Borrower in writing. If the Borrower fails to contact Deutsche Bank before the time indicated above, Deutsche Bank shall have the right to reset the interest rate on the basis of an Interest Period of three (3) months.
- 46.4 If Deutsche Bank and a Borrower fail, or can be deemed to have failed, to reach agreement on the fixed interest rate that will apply as from the Interest Reset Date and the period for which it will apply, the Borrower shall repay to Deutsche Bank the entire amount outstanding under the loan on such

Interest Reset Date. The Borrower shall not owe any compensation, as referred to in clause 48, for losses and foregone profits resulting from such early repayment.

47. INTEREST DUE DATES

Interest owed by a Borrower to Deutsche Bank shall be paid in accordance with the settlement method and settlement period customarily applied by Deutsche Bank at any given time for Credit granted in the form of a loan.

48. EARLY REPAYMENT

- 48.1 A Borrower may repay all or part of the loan early. The amount of the early repayment must be equal to at least five per cent (5%) of the original principal amount. The Borrower shall notify Deutsche Bank of the intended early repayment no later than thirty (30) days prior to the date on which the early repayment is intended to be made. In the event of early repayment, the Borrower shall, at the same time as the early repayment, compensate Deutsche Bank for the latter's losses and foregone profits with respect to the amount repaid early. Deutsche Bank shall determine the level of such compensation in the manner set forth in clause 48.2.
- 48.2 The compensation referred to in clause 48.1 shall amount to:
- (a) if the interest rate applying to the relevant loan is the rate referred to in clause 43.1(a) or (b), the difference between:
 - (i) the aggregate of the present values of the interest payments from the date of the early repayment until the first Business Day of the next Interest Period ("Period 1") plus the aggregate of the present values of the liquidity margin from such first Business Day until the final repayment date ("Period 2"), such interest payments and margin being those that Deutsche Bank would have received in respect of the amount to be repaid early but did not receive as a result of the early repayment, and (ii) the aggregate of the present values of the interest payments that Deutsche Bank would be able to receive, in the interbank market from a counterparty whose creditworthiness is at least equal to that of Deutsche Bank, on deposits similar in size to the amount of the early repayment and similar in duration to Period 1,
 - (b) if the interest rate applying to the relevant loan is the rate referred to in clause 43.1(c), the difference between:
 - (i) the aggregate of the present values of the interest payments that Deutsche Bank would have received from the date of the early repayment until the final repayment date or, if earlier, the next Interest Reset Date, on the amount of the early repayment, but which it did not receive as a result of the early repayment, and
 - (ii) the aggregate of the present values of the interest payments that Deutsche Bank would be able to receive in the interbank market from a counterparty with a creditworthiness at least equal to that of Deutsche Bank for deposits similar in size to the amount of the early repayment and similar in duration to the period referred to in (b) under (i).
- 48.3 The present values of the interest payments and liquidity margin shall be calculated at the interbank rate in effect at the time of the early repayment.
- 48.4 If the present value calculated on the basis of clause 48.2 is less than one per cent (1%) of the amount to be repaid early, the compensation as referred to in clause 48.1 shall be set at one per cent (1%) of the amount to be repaid early.

49. COMPENSATION IN EVENT OF ACCELERATION (VERVROEGDE OPEISING)

If Deutsche Bank demands payment of a loan (*opeisen*) in whole or in part pursuant to clause 24 or pursuant to a ground for such a demand (*opeisingsgrond*) under the Credit Agreement, the relevant Borrower shall owe compensation to Deutsche Bank, also immediately due and payable, for losses and foregone profits (*geleden verlies en gederfde winst*). This compensation shall be owed in respect of the entire amount demanded and shall be determined in accordance with the provisions in clause 48.2. This compensation shall not be owed if the event triggering the payment demand is an Obligor's death.

50. DEFAULT INTEREST

- 50.1 If Deutsche Bank does not receive any amount owed to it under the GCC or any other Finance Document on the agreed due date, the Borrower shall be liable to Deutsche Bank for default interest, due and payable daily, on the overdue amount as from the due date, without prejudice to Deutsche Bank's other rights. If no specific due date has been stipulated in the Credit Agreement or GCC in relation to a particular amount, the due date for that amount shall, for the purposes of this clause, be the due date communicated by Deutsche Bank to the Borrower.
- 50.2 The rate of the default interest shall be set at two per cent (2%) per annum plus (i) if and as long as any contractual interest rate applies, the contractual interest rate (including any individual margin applicable) or (ii) in all other cases, the €STR rate or the RFR rate for the relevant currency rate (plus the individual margin referred to in (i)), to be determined on each day on which

the payment is overdue. This interest shall be calculated on a monthly basis, with part of a month deemed to constitute a full month. With respect to a late repayment of principal, the default interest rate shall, as from the due date of that repayment, replace the contractual interest rate then applicable to the loan.

51. PAYMENT

Deutsche Bank may but is not obliged to debit all amounts payable by a Borrower to Deutsche Bank under the loan from that Borrower's account at Deutsche Bank on the agreed due dates, without prejudice to that Borrower's obligation to ensure that the balance of that account on the due date is such that the maximum amount available on that account is not exceeded as a result of the relevant debit.

52. SPECIAL CONDITIONS APPLYING TO LOANS TO FUND IMMOVABLES

- 52.1 The Borrower shall use the Immovable properly and keep it in good condition to the satisfaction of Deutsche Bank, maintain and manage it properly, and use it in accordance with its nature and purpose, in accordance with the licences and permits required under the applicable legislation and regulations and in accordance with the applicable insurance provisions. All necessary repairs and renovation work must be carried out promptly. The Borrower shall otherwise treat the Immovable with the appropriate degree of care and shall not do or omit to do anything that may damage the interests of Deutsche Bank.
- 52.2 Except with Deutsche Bank's prior written consent, further to clause 12 and as long as any Obligor has any indebtedness towards Deutsche Bank on any account whatsoever (including on account of derivative transactions) and whether or not arising in the ordinary course of banking business, or as long as any such indebtedness can arise:
- the Borrower may not, either in whole or in part, change the structure, appearance, nature or purpose of the Immovable, allow it to be reduced in value, demolished or registered for demolition or designate it for the common benefit (*gemeenschappelijk nut*) of other properties within the meaning of section 5:60 of the Dutch Civil Code. Similarly, the Borrower may not, except with Deutsche Bank's prior written consent, undertake major or unusual repairs to the Immovable;
 - the Borrower may not divide (*splitsen*) the Immovable (into apartment rights (*appartementenrechten*) or otherwise), either in whole or in part combine (*verenigen*) it with other plots, merge (*vermengen*) it, cause it to be held in common ownership (*mandelig maken*) or divide and distribute (*in scheiding en deling brengen*) it;
 - the Borrower may not encumber the Immovable with any right (including a mortgage) or any charge or relinquish any easements (*erfdienstbaarheden*) or other rights relating to the Immovable or change the nature of the way in which it is used or operated;
 - the Borrower may not lease out (*verhuren*) the Immovable, enter into any hire-purchase agreement (*huurkoopovereenkomst*) or long-term lease (*pacht*) in respect of the Immovable or grant any other right to use the same;

- 52.3 The Borrower shall promptly pay all taxes and maintenance expenses, as well as in general all expenses, costs and debts burdening or relating to the use of the Immovable. At the first request of Deutsche Bank, the Borrower shall demonstrate, to the satisfaction of Deutsche Bank, that these payments have been made. If and to the extent that the Borrower fails to comply with any obligation as referred to in this clause 52.3, Deutsche Bank may pay the relevant amount for the Borrower's account, without any further authorisation being required.
- 52.4 Deutsche Bank may, as often as Deutsche Bank considers necessary for assessing the value of the Immovable, appoint a valuer to value the Immovable in a manner to be established by Deutsche Bank. The costs of such valuation shall be for the account of the Borrower. The Borrower shall allow the valuer appointed by Deutsche Bank access to the Immovable and shall provide all the information and documents required for this purpose or arrange for the same to be provided. Deutsche Bank may at any time value the Immovable or have it valued at its own expense.
- 52.5 The Borrower shall at all times promptly allow persons designated by Deutsche Bank to gain access to the Immovable in order to enable Deutsche Bank to ascertain to its satisfaction the composition, value and condition of the Immovable, and can take any measures needed to establish, maintain and exercise its rights.
- 52.6 The Borrower shall insure the Immovable and keep it insured, to the satisfaction of Deutsche Bank and for the full reinstatement value, against fire and other customary risks, and shall duly pay the relevant premiums and other charges and duly provide all information and issue all notifications requested by the insurer. At Deutsche Bank's first request, the Borrower shall provide Deutsche Bank with a copy of each relevant insurance policy and with evidence satisfactory to Deutsche Bank that the premiums and other charges have been paid.
- 52.7 If and to the extent that the Borrower fails to comply with an obligation referred to in clause 52.6, Deutsche Bank may insure the Immovable itself, in its own name if it so wishes and at the Borrower's expense, and may pay the relevant premiums and other charges at the Borrower's expense.

- 52.8 The insurer, the terms and conditions of the insurance and the intermediary arranging the insurance are at all times subject to the prior approval of Deutsche Bank.
- 52.9 Without prejudice to clause 52.6, the Borrower is liable to Deutsche Bank for the consequences of any underinsurance.
- 52.10 If the Borrower fails or threatens to fail to comply with any obligation referred to in this clause 52, Deutsche Bank may itself take measures or have measures taken, at the Borrower's expense, to perform such obligation or to reverse the consequences of the failure to comply with such obligation, without prejudice to Deutsche Bank's other rights. The Borrower shall fully cooperate in enabling Deutsche Bank to take these measures.
- 52.11 If the Borrower is not also the owner or user of the Immovable, the provisions of this clause 52 apply *mutatis mutandis*. The Borrower guarantees the punctual and proper performance of the obligations under this clause by the owner or user of the Immovable.

54. INTEREST PERIODS

- 54.1 The term of the loan shall be divided into a series of successive Interest Periods, each of either one (1) month or three (3) months. The first Interest Period shall begin on the day on which the amount of the loan is made available to a Borrower under the Credit Agreement, and each subsequent Interest Period shall begin on the day following the last day of the preceding Interest Period.
- 54.2 A rate set for an Interest Period in accordance with the definition of Euribor or a RFR shall apply as from the first day of that Interest Period or, if that day is not a TARGET Day, as from the next TARGET Day, and shall apply up to and including the last day of that Interest Period or, if the first day of the next Interest Period is not a TARGET Day, up to and including the day immediately preceding the first TARGET Day of the next Interest Period.
- 54.3 Deutsche Bank shall calculate a RFR based interest amount for any Interest Period by looking at the applicable rates during an observation period, which period precedes the actual Interest Period. Deutsche Bank shall calculate the RFR based interest amount over such observation period starting one or more, as agreed in the relevant Finance Documents, Local Business Day(s) prior to the first day of the relevant Interest Period up to, but excluding, the calendar day falling the same number of Local Business Day(s) prior to the first day of the next Interest Period, as further defined in the Finance Documents.
- 54.4 During the term of a loan a Borrower may request to change a three-month Interest Period into an Interest Period of different duration. A change of the Interest Period will not impact the method for calculation of the interest and will merely result in the interest becoming payable with a different interval. Such a request must be made to Deutsche Bank in writing in good time before the end of the current Interest Period. Deutsche Bank is never obliged to grant such a request. Without prejudice to the applicability of the provisions in clause 56 Deutsche Bank may change the individual margin applying to the loan if the Interest Period changes as referred to in this clause 54.4.

- 55.2 Deutsche Bank may in connection with its determination of the Replacement Benchmark referred to in clause 55.1 amend the terms of the Credit Agreement or any other Finance Document as it reasonably deems necessary or appropriate to ensure the proper operation of the Replacement Benchmark and to provide that this clause 55.1 – 55.4 will apply to the Replacement Benchmark going forward.
- 55.3 If it is not possible to reasonably determine the applicable Euribor or RFR rate in any other situation than a Benchmark Event, Deutsche Bank shall reasonably select a substitute reference interest rate that will apply during the occurrence of such situation, which may be the Euribor or RFR rate as last determined by Deutsche Bank in connection with the Credit Agreement or any other Finance Document.

- 55.4 If the Replacement Benchmark referred to in clause 55.1, the substitute reference rate referred to in clause 55.3 or any other similar substitute reference rate together with any applicable credit adjustment spread is less than zero, that rate shall be deemed zero.
- 55.5 If a Replacement Benchmark or other substitute reference rate is being applied in accordance with this clause 55 and the Borrower does not agree therewith, the Borrower may repay the entire loan early on the last day of the Interest Period, provided that the Borrower has notified Deutsche Bank of its intention in writing within ten (10) Business Days after Deutsche Bank has set the interest rate and such early repayment is otherwise made in accordance with clause 48. This notification shall be irrevocable.

56. CHANGE IN INDIVIDUAL MARGIN BY DEUTSCHE BANK

If Deutsche Bank elects to make such a change, it shall notify the Borrower of the new individual margin that will apply as from the next Interest Period in writing at least ten (10) Business Days before the change will take effect. If the individual margin is changed pursuant to this provision, the Borrower may repay the loan early within three (3) months after the change, provided that it has notified Deutsche Bank in writing within five (5) Business Days before making the early repayment. The Borrower shall not have to pay any compensation, as referred to in clause 48, in respect of this early repayment. Unless the Credit Agreement expressly states otherwise, both a Borrower and Deutsche Bank may at any time cancel a contingent liability credit or reduce the Limit, without prejudice to the fees and other charges imposed by Deutsche Bank for the Credit. In the event of cancellation, the Borrower shall, at the first request of Deutsche Bank, terminate all contingent obligations arising from non-cash contingent liabilities or provide Deutsche Bank with

security, to the satisfaction of Deutsche Bank, for the same. In the event of a reduction of the Limit, the above provisions apply *mutatis mutandis* to the amount by which the total contingent obligations arising from non-cash contingent liabilities exceed the reduced Limit. With respect to a balance on an internal account denominated in a currency other than Euro, the Borrower shall, at Deutsche Bank's first request, cover the currency risk by means of a forward exchange transaction or a comparable transaction.
- 70.2 Deutsche Bank may at any time (i) close a positive balance on an internal account denominated in a currency other than Euro and transfer that balance to an internal account denominated in Euros, and (ii) close a positive balance on an internal account denominated in Euros and transfer that balance to an internal account denominated in a currency other than Euro. In the case mentioned under (i) the conversion of the balance in a currency other than Euro shall be made, at Deutsche Bank's election, at the selling rate of the relevant currency for Euros or at any other selling rate determined by a third party or Deutsche Bank itself. In the case mentioned under (ii) the conversion of the balance in Euros shall be made, at Deutsche Bank's election, at the selling rate of Euros for the relevant currency or at any other selling rate determined by a third party or Deutsche Bank itself. The reference selling rate shall be the selling rate on the Amsterdam foreign exchange market as at the date on which the internal account is closed and the balance is transferred to the internal account in Euros or a currency other than Euro, respectively.

71. COMMISSION, FEES AND OTHER CHARGES

- 71.1 The Borrower will pay Deutsche Bank commission, fees and other charges for the use of Credit in the form of an Asset Based Finance facility. The obligation to pay the commission, fees and other charges as well as their amount will be laid down in the Credit Agreement, agreements made pursuant thereto and these GCC.

- 71.2 The cost of payment transactions in connection with bank accounts held in the name of Deutsche Bank for a Borrower will be charged in full to the Borrower.
- 71.3 Deutsche Bank may debit commission, fees and other charges owed by a Borrower from the internal accounts, on the dates to be indicated by Deutsche Bank.
- 71.4 Deutsche Bank may at any time change the rates charged for Credit in the form of an Asset Based Finance facility by notice to this effect in writing or via Deutsche Bank's website. Deutsche Bank may increase the above-mentioned rates and individual margins in accordance with clause 18.2.

72. USE OF THE SERVICES OF THIRD PARTIES

- 72.1 Deutsche Bank shall be entitled to use the services of third parties in executing orders of the Borrower and in performing other agreements with the Borrower and also to place goods and/or documents of title of the Borrower in the custody of third parties in the name of Deutsche Bank.
- 72.2 Deutsche Bank may at any time use the services of a collection agency to collect Claims. Clauses 107.1 and 108 apply *mutatis mutandis*.
- 72.3 Deutsche Bank shall exercise due care in selecting such third parties. Deutsche Bank shall not be liable for shortcomings of such third parties if it can prove that it exercised due care in selecting them. If in such a case the Borrower has suffered damage, Deutsche Bank shall in any case assist the Borrower as much as possible in remedying such damage. This shall not affect the limitation of Deutsche Bank's liability under clause 27.

73. RISK OF DISPATCHES

If Deutsche Bank, by order of the Borrower, dispatches goods and/or documents of title to the Borrower or to third parties, any such dispatch shall be at the Borrower's risk.

74. DEUTSCHE BANK'S RECORDS

If the Borrower has not contested the contents of Deutsche Bank's confirmations, account statements, invoices or similar documents within one month after such documents can reasonably be deemed to have reached the Borrower, they shall be deemed to have been approved by the Borrower. If such documents contain any arithmetical errors, Deutsche Bank may and shall rectify such errors, even after the expiry of the said one-month period.

75. COMMUNICATION

- 75.1 The Borrower shall ensure that orders, statements and communications to Deutsche Bank are clear and contain the correct information. Forms must be fully completed. Other data carriers or means of communication approved by Deutsche Bank may only be used by the Borrower in accordance with Deutsche Bank's instructions. Deutsche Bank may refuse to execute orders given without the use of forms drawn up or approved by Deutsche Bank or other data carriers or means of communication approved by Deutsche Bank. Deutsche Bank may require communications to be made in a specific form.
- 75.2 If the Borrower becomes aware of any irregularity such as loss, theft or misuse with respect to materials provided by Deutsche Bank (such as stamps, forms, data carriers or means of communication), it shall inform Deutsche Bank without delay. Up to the moment this information is received by Deutsche Bank, the consequences of the use of these materials shall be for the account and at the risk of the Borrower, unless the Borrower proves that these consequences are Deutsche Bank's fault. After the said moment such consequences shall be for the account and at the risk of Deutsche Bank, unless Deutsche Bank proves that wilful misconduct or gross negligence can be imputed to the Borrower. Any communication concerning irregularities must be confirmed by the Borrower to Deutsche Bank in writing. If notice of termination of the relationship between the Borrower and Deutsche Bank has been given, the Borrower shall return the materials to Deutsche Bank.
- 75.3 If and insofar as electronic means of communication are developed by Deutsche Bank and have been put at the Borrower's disposal, all information arising from the performance of the Credit Agreement and intended for the Borrower will as much as possible be provided to the Borrower exclusively electronically.
- 75.4 The Borrower undertakes to immediately check information provided electronically. 75.5 If the Borrower requests Deutsche Bank to provide the information referred to in this clause also in written form and Deutsche Bank consents, the Borrower shall bear the costs of producing and forwarding said documents.

76. EFFECTIVE DATE; DURATION OF CREDIT AGREEMENT; COMPENSATION ON TERMINATION

- 76.1 The Credit Agreement is entered into for the period stipulated therein, starting on the effective date. The effective date is the date on which Credit is first made available to the Borrower.
- 76.2 At the end of the stipulated period the Credit Agreement will be automatically renewed for the same period unless it is terminated by one of the parties. Such a termination can only be effected by registered letter, taking into consideration a notice period of three months before the end of the relevant

period. The provisions on termination in clauses 24.3, 24.4 and 24.5 apply *mutatis mutandis*.

- 76.3 The Borrower may terminate the Credit Agreement early, in which case Deutsche Bank is entitled to compensation for losses sustained and lost profit. This compensation will consist, at a minimum, of the expected commission for the remaining contract period (taking into account the agreed minimum commission), as well as the individual margin debit interest over the expected utilisation of the credit facility in that remaining period and the peak utilisation fee over that remaining period. The provisions on termination in clauses 24.3, 24.4 and 24.5 apply *mutatis mutandis*.
- 76.4 In addition to what is stated in clause 76.3, if the Borrower terminates the Credit Agreement early and has not used the Credit for a certain period, Deutsche Bank is entitled to additional compensation for losses sustained and lost profit. This compensation will, at a minimum, consist of (i) the individual margin debit interest over a deemed utilisation of the credit facility in the period during which the Credit was not used and (ii) the peak utilisation fee over that period. Deutsche Bank will determine the deemed utilisation of the credit facility based upon the average utilisation during the contract period.
- 76.5 If Deutsche Bank terminates the Credit Agreement early based on an event set out in clause 24 (other than the event set out in 24(a)), Deutsche Bank is entitled to compensation for losses sustained and lost profit. Clauses 76.3 and 76.4 apply *mutatis mutandis*.
- 76.6 If Deutsche Bank terminates the Credit Agreement early as provided in clause 76.5, it is entitled to charge a Borrower in advance 10% of the entire amount owed by that Borrower as collection costs.
- 76.7 Deutsche Bank will never be obliged to pay compensation or damages of any nature whatsoever for damage, whether direct or indirect (including consequential damage), which the Borrower claims to have sustained as a result of termination of the Credit Agreement.
- 76.8 If Deutsche Bank receives funds in a bank account held in the name of Deutsche Bank for a Borrower, the following applies to the period (i) from the date of the Credit Agreement to the effective date and (ii) after the termination date. Deutsche Bank is willing, until further notice, to make those funds available to the Borrower without further evidence of indebtedness. By entering into the Credit Agreement a Borrower unconditionally and irrevocably undertakes to indemnify Deutsche Bank for all third-party claims arising from its having passed on those funds to the Borrower. The Borrower further undertakes to repay those funds to Deutsche Bank at its first request.

B. GENERAL CONDITIONS FOR CREDIT IN THE FORM OF AN ABF FACILITY

77. GENERAL AND SCOPE

- 77.1 The ABF Facility provides working capital financing in the form(s) – as specified in the Credit Agreement – of receivables financing, purchase order financing or inventory financing.
- 77.2 Each individual financing form is governed by both the provisions in part VI (B) and its own individual additional provisions set out in B.i, B.ii or B.iii, respectively.

78. USE

- 78.1 The ABF Facility may be used to withdraw money and, if purchase order financing has been agreed, to have Letters of Credit issued. Utilisation of the ABF Facility is at all times limited by the Availability.
- 78.2 A Borrower must immediately repay Deutsche Bank, into an account designated by Deutsche Bank, the amount by which the Availability has been exceeded.
- 78.3 For the calculation of whether the utilisation of the credit facility remains within the Limits set out in the Credit Agreement, the balances on internal accounts shall be converted into the currency in which the relevant Limits are denominated.

79. ADMINISTRATION IN INTERNAL ACCOUNTS

- 79.1 Deutsche Bank shall open internal accounts in its books and records for the administration of, among other things, the pledged Claims, the payments received in respect of the pledged Claims, the Borrowing Base, the utilisation of the credit facility and interest, commissions, fees, costs and other charges. Separate internal accounts shall be opened for each currency. The internal accounts will be updated on each Business Day. The Borrower can access certain internal accounts via the Asset Based Finance Manager system.
- 79.2 Deutsche Bank shall administer the receivables financing, purchase order financing and inventory financing in separate internal accounts. If a Borrower obtains receivables financing, purchase order financing or inventory financing in a currency other than Euro, Deutsche Bank shall administer that financing in a separate internal account denominated in the relevant currency.

80. BORROWING BASE AND AVAILABILITY

- 80.1 Deutsche Bank shall determine the amount of a Borrower's Borrowing Base at any time under the ABF Facility by multiplying the relevant advance rate (*financierspercentage*) set out in the Credit Agreement by the value of the relevant Collateral pledged by the Borrower to Deutsche Bank, to the extent

- that Collateral or parts thereof are eligible for financing pursuant to the Finance Documents.
- 80.2 Deutsche Bank shall determine how and when the Borrowing Base and Availability are calculated.
- 80.3 Deutsche Bank may reduce the Borrowing Base or Availability if there are reasonable grounds for suspecting that information supplied regarding the Collateral has led to an incorrect calculation of the actual Borrowing Base or Availability. Deutsche Bank shall revoke the reduction if the Borrower gives an adequate explanation for the differences ascertained, by means of a reconciliation form or in some other way permitted by Deutsche Bank.

81. AMOUNT REMAINING (*RUIMTE*) UNDER LIMIT

- 81.1 Deutsche Bank shall determine the amount remaining (*ruimte*) under the Limit of the ABF Facility of a Borrower at any time by reducing the amount of the Limit of the ABF Facility by the following:
- (a) the total amount of the credit utilisation at that time arising from the use of the ABF Facility;
 - (b) the total amount of Letters of Credit issued at that time;
 - (c) the amount of the Limit of the ABF Guarantee Facility (irrespective of whether Deutsche Bank has issued any Guarantees);
 - (d) the total amount of SBLCs that have been issued at that time under the ABF SBLC Facility; and
 - (e) the total amount of the credit utilisation at that time arising from the use of the ABF Franchise Facility.
- 81.2 Deutsche Bank shall determine the amount remaining (*ruimte*) under the Limit of the ABF Facility in the form of purchase order financing of a Borrower at any time by reducing the amount of that Limit by the total amount of Letters of Credit issued at that time and, after payment under Letters of Credit, the credit utilisation at that time arising from the use of purchase order financing. Once Deutsche Bank has administered the amount of a Letter of Credit as credit utilisation under the receivables financing or inventory financing, the amount of the relevant Limit of the ABF Facility in the form of purchase order financing will no longer be reduced by the amount of that Letter of Credit.
- 81.3 Deutsche Bank shall determine the amount remaining (*ruimte*) under the Limit of the ABF Facility in the form of inventory financing of a Borrower at any time by reducing the amount of that Limit by the total amount of the credit utilisation at that time arising from the use of the inventory financing.

82. INTEREST AND FEES

- 82.1 In calculating interest on debit balances in Euros within the Limit of the ABF Facility, Deutsche Bank shall apply the EURO Base Rate or the average one-month Euribor rate. The EURO Base Rate or the average one-month Euribor rate shall be increased by the individual margin stated in the Credit Agreement. The Credit Agreement shall determine which of the above underlying rates will be used to calculate the interest. To the extent provided in the Credit Agreement, the interest rate shall be subject to a minimum percentage specified in the Credit Agreement.
- 82.2 Deutsche Bank may change the EURO Base Rate at any time and shall inform the Borrower of such a change as soon as possible.
- 82.3 Deutsche Bank will publish the average one-month Euribor rate on its website (www.country.db.com/netherlands) or shall otherwise communicate such rate to the client. The average one-month Euribor rate will be determined by Deutsche Bank on the penultimate TARGET Day of a calendar month based on the published one-month Euribor rates for the relevant period. The rate as so calculated shall apply to the period from the first up to and including the last day of that calendar month.
- 82.4 Interest on debit balances in currencies other than Euro shall be payable at the rate set out in the Credit Agreement.
- 82.5 Without prejudice to clause 19.3, the interest and fees payable by a Borrower shall be calculated and charged in accordance with the calculation method and calculation period used at any given time by Deutsche Bank for credit in the form of an Asset Based Finance facility.
- 82.6 Deutsche Bank is entitled to charge a Borrower for interest and fees by debiting the amount owed from the internal accounts.
- 82.7 Deutsche Bank may increase the above-mentioned rates and individual margins in accordance with clause 18.2.

83. CANCELLATION; REDUCTION OF LIMIT

Both the Borrower and Deutsche Bank may at any time cancel Credit in the form of an ABF Facility or reduce the Limit, without prejudice to the commission, fees and other charges imposed by Deutsche Bank for Credit in the form of an ABF Facility. In the event of cancellation, clauses 24.3 and 24.5 apply *mutatis mutandis*. With immediate effect upon cancellation, no further use may be made of the ABF Facility. If the Limit is reduced, clauses 24.3 and 24.5 apply *mutatis mutandis* to the amount by which the credit utilisation exceeds the reduced Limit. In the event of cancellation the Borrower shall, at Deutsche Bank's first request, cause all contingent obligations arising from non-cash contingent liabilities of Deutsche Bank arising from the issuance of Letters of Credit to terminate, or provide Deutsche Bank with security, to the satisfaction of Deutsche Bank, for the same. In the event of a reduction of the Limit, the above provisions apply *mutatis mutandis* to the amount by which the total contingent obligations arising from non-cash contingent liabilities arising from Letters of Credit exceed the reduced Limit.

- 85.3 In the event of substantial shifts in the breakdown of the accounts receivable portfolio (compared to the situation when the Credit Agreement took effect), Deutsche Bank reserves the right to change the advance rate (*financieringspercentage*) for the receivables financing so that it more accurately reflects Deutsche Bank's perception of the country or debtor risk involved.

B.III. GENERAL CONDITIONS FOR INVENTORY FINANCING

94. PLEDGING OF STOCK

100. AMOUNT REMAINING (*RUIMTE*) UNDER LIMIT

Deutsche Bank shall determine the amount remaining (*ruimte*) under the Limit of the ABF Guarantee Facility or ABF SBLC Facility of a Borrower at any time by reducing the relevant Limit by the total amount of that Borrower's non-cash contingent liabilities towards Deutsche Bank at that time arising from the use of the ABF Guarantee Facility or ABF SBLC Facility, respectively.

101. CANCELLATION; REDUCTION OF LIMIT

Unless expressly stipulated otherwise in the Credit Agreement, both the Borrower and Deutsche Bank may cancel the ABF Guarantee Facility or the ABF SBLC Facility or reduce the Limit of the ABF Guarantee Facility or the ABF SBLC Facility at any time, irrespective of the fees and other charges owed to Deutsche Bank for the ABF Guarantee Facility or the ABF SBLC Facility.
